1. A method for marketing a low interest rate mortgage, comprising the steps of:

offering options for mortgages at a fixed low interest rate for a premium dependent upon a desired principal amount and a desired option term;

receiving a mortgage option application from a customer for a customer selected principal amount and a customer selected option term;

determining the customer premium for the customer selected principal amount and the customer selected option term;

extending an option to the customer for the customer selected principal amount and the customer selected option term for the customer premium;

receiving payment of the customer premium; and

extending a mortgage at the fixed low interest rate when the customer exercises the option within the customer option term.

LITMAN LAW OFFICES, LTD. P.O. BOX 15035 ARLINGTON, VA 22215 (703) 486-1000

- 3. The method for marketing according to claim 1, further comprising the step of terminating said option when the customer fails to exercise the option before the customer selected option term ends.
- 4. The method for marketing according to claim 1, wherein said option is for a residential property.
- 5. The method for marketing according to claim 1, wherein said option is for a commercial property.
- 6. The method for marketing according to claim 1, wherein said step of determining the customer premium further comprises the step of setting a premium based upon a percentage of the customer desired principal amount.
